## How to Order Online

### C: Import an Order by Excel

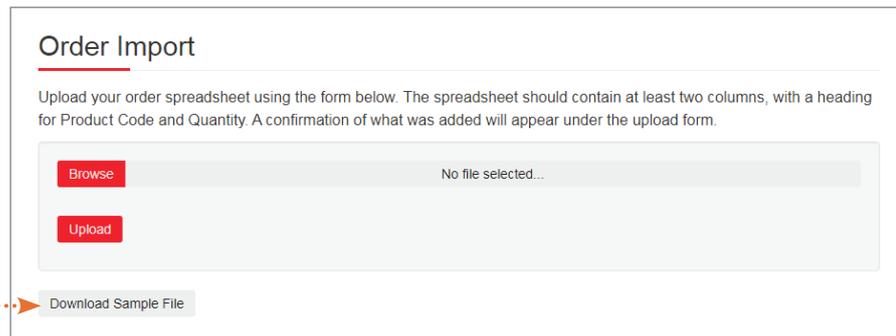

1. Go straight to 'Cart'
2. Click 'Spreadsheet Import'

Spreadsheet Import

Cart

3. From the 'Order Import' dashboard download the sample file

Download Sample File

September Order

4. Open the 'Sample-import' sheet in excel. Rename to something that's suitable for you if needed. i.e 'September Order'

Product Code	Quantity
CA 6702	4
CA 6706	5
CA 6707	5
CA 6708	5
CA 6709	5

5. Complete the sheet with 'Product Codes & Quantities'.
6. When your order is complete, go back to 'Order Import' dashboard.
7. Click 'Browse' select the file you saved.
8. Click 'Upload'

Note the Green pop up to say '37 products Successfully added to your cart'

'Added to your Cart'

9. Complete the 'Check out Process' (see page 1)

02

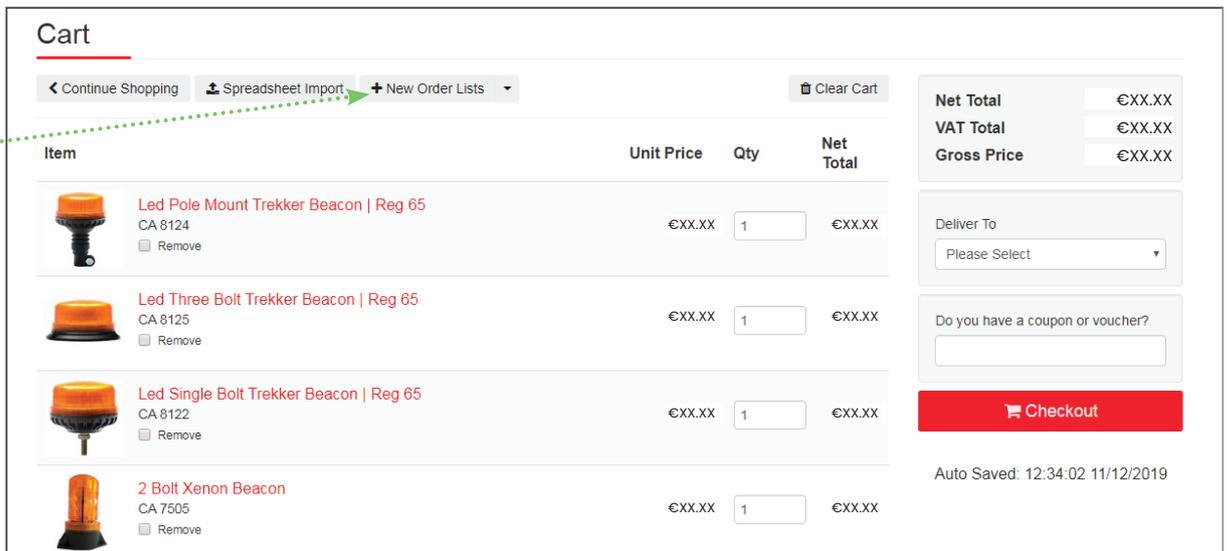

# Quick Ordering Process

## B: New Order List

You can save your order to your 'order list' and review and edit at later time

1. Click '+New order List'

New Order List

**Cart**
